

FR400

Together, we can save a life

Specifications

American Red Cross by Eton FR400 AM/FM Radio with NOAA, TV VHF, Flashlight, and Cell-Phone Charger

Improved technology, functionality and versatility, the FR400 is ideal for emergencies. The FR400 provides you with a water resistant radio, LED lights, and cell phone charger when you need it most. Using the Hand-Crank Power Generator, charge the internal rechargeable Ni-MH battery pack in times of need. With NOAA weather channels and TV-VHF channels, you have easy access to weather forecasts and can listen to TV shows while away from the set.
