Manufacturer Certification Statement for Residential Federal Tax Credit

Attic Breeze, LLC hereby certifies that the products listed below are classified as "Qualified Solar Electric Property" and are therefore subject to applicable federal tax credits under the product category of "Solar Energy Systems/Photovoltaic Systems" as prescribed in the Energy Improvement and Extension Act of 2008 (P.L. 110-343):

Attic Breeze Solar Attic Fan Models AB-201A, AB-201D, AB-202A, AB-202D, AB-203A, AB-203D,
AB-204A, AB-204D, AB-251A, AB-251D, AB-252A, AB-252D,
AB-253A, AB-253D, AB-254A, and AB-254D

Attic Breeze Solar Gable Fan Models AB-205 and AB-255

Attic Breeze Solar Wall Fan Models AB-206 and AB-256

Per federal requirements, the above listed products must be installed per manufacturer's installation instructions and meet applicable local fire and electrical code requirements. Taxpayers must retain a copy of this certification statement for their records, but are not required to submit a copy with their federal tax return. This certification statement is valid for the above Attic Breeze products, placed in service from January 1, 2009 through December 31, 2016.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts presented are true, correct, and complete.

Travis Hipp
President
Attic Breeze, LLC

LEGAL NOTICE TO CONSUMER

Taxpayers should consult with their CPA or local tax professional for any questions regarding applicable tax law or for further clarification regarding the information contained in this certification document. Attic Breeze, LLC is not certified to offer tax advice and explicitly makes no representation of the information contained in this document to be either legal or tax advice to the consumer.

The consumer is responsible for compliance to all local building codes, laws, and regulations regarding the installation, use, maintenance, and handling of the above listed products. While Attic Breeze, LLC does provide installation guidelines, the consumer should consult with a local professional regarding any installation, design, or construction related questions specific to their project application.

Although believed to be accurate at the time of issue, Attic Breeze, LLC makes no warranty concerning the accuracy of the information presented herein, nor to the qualification of the above listed products for federal tax credits at the time of filing. Attic Breeze, LLC is not responsible or liable for denied tax credit claims due to changes in qualification requirements or applicable law.
